

Let's talk about it

For grown-ups: after reading *The Sticky Tape Kid* together, chat about these questions. There are no wrong answers.

1. What did Emma love most of all at kindy?
2. What other things did Miss Thompson ask Emma to try?
3. What was the silliest thing that got sticky-taped?
4. How did Emma feel when her sticky tape was all gone?
5. What did Emma decide to save her sticking for?
6. What is something you love doing? When is a good time to do it?

Look closely! Go back through the pictures and find all the things Emma has stuck together with tape. How many can you count?
